SENATOR NICHOL: This has no bearing on this meeting date of the first Tuesday in December, would it?

SENATOR MARVEL: No, it would simply mean that...it would simply mean fourteen calendar days after the convening of the regular session, whatever that might be.

SPEAKER: No further discussion, the question is, shall the amendment be adopted? The first amendment of 14 days.

CLERK: The first amendment...Senator Marvel, are you amending...are you talking of just the amendment to 81-125.

SENATOR MARVEL: Yes sir.

CLERK: Both portions of it, there are two portions to that section. The front part and the back part because you said four amendments and I only have three.

SENATOR MARVEL: Can I approach the chair...the bench a moment and I will show you what I mean.

SPEAKER: The Clerk will read to know what exactly we are voting on.

CLERK: Mr. President, we are voting on the amendment to the first portion of 81-125, the first portion only.

SPEAKER: Have you all voted? The Clerk will record.

CLERK: 31 ayes, 1 nay, 17 not voting.

SPEAKER: The amendment is adopted. Senator Marvel, you may proceed.

CLERK: Last half of an amendment to 81-125 as follows: Subsection 2, the Governor's budget recommendation shall include recommendations to correct funding deficiencies which involve all commissions, boards and agencies which have or may have in the current fiscal year insufficient funds to carry out the programs charged to such agency. The recommendation shall include all necessary fund adjustments involved with such insufficient funds situations.

SENATOR MARVEL: I move the adoption of this section of the Committee amendments.

SPEAKER: Is there any discussion? The question is, shall the second amendment be adopted? Have you all voted? The Clerk will record.

CLERK: 36 ayes, 0 nays, Mr. President.

SPEAKER: Senator Marvel.

SENATOR MARVEL: Now, Vince, would you go down then in to
